

PAKISTAN CABLES POWERS NOWPDP's THE INCLUSION ACADEMY – SCHOOL FOR CHILDREN WITH DISABILITIES

In an effort to provide equal learning and development opportunities for children with disabilities, Pakistan Cables, as part of its corporate social responsibility (CSR) program marked the inauguration of NOWPDP's The Inclusion Academy in Karachi. The Inclusion Academy is a school-project that aims to target children with disabilities that hail from the under privileged segment of the society.

During the inauguration ceremony, NOWPDP's President Mr .Amin Hashwani acknowledged the commitment of all contributing stakeholders and expressed appreciation towards the growing support for creating opportunities for the persons with disabilities.

“I am hopeful that our joint efforts with the NOWPDP will empower persons of disabilities and at the same time contribute to improving a sense of ownership for the marginalized segments of our society”, commented Fahd Chinoy, Chief Executive Pakistan Cables Limited.

The Inclusion Academy is first such project targeting children with disabilities launched by NOWPDP, an NGO that has been offering skill based programs for persons with disabilities in Pakistan by partnering with various other NGOs. Earlier in 2019, Pakistan Cables signed a MoU with NOWPDP committing to contribute towards the establishment of the Inclusion Academy and lending awareness to the cause of empowering persons with disabilities
