

SIGNING OF MEMORANDUM OF UNDERSTANDING BETWEEN PAKISTAN CABLES LTD. AND THE NED UNIVERSITY, KARACHI

Pakistan Cables Ltd, represented by the CEO, Fahd K. Chinoy and the NED University, represented by Registrar Ghazanfar Hussain, signed a Memorandum of Understanding (MOU) on Wednesday, July 7, 2021.

The signing of the MOU occurred on establishing the Co-operative Education Program in Karachi, which provides female students industrial experience alongside their academic development. The focus of this partnership will be on deserving female students enrolled in the Department of Electrical Engineering. Students selected in the Co-operative Education Program will also be offered full academic scholarship alongside internship opportunities at Pakistan Cables Ltd.

“The MoU reaffirms our long-standing philosophy of leading the way for engineering development in Pakistan. It also underscores our commitment towards diversity and

providing opportunities for the youth. I am extremely proud that we have partnered with an esteemed institution that has a proven 100-year legacy of leading learning in Pakistan”, said Fahd K. Chinoy, CEO Pakistan Cables Ltd. The MoU will leverage each entities comparative advantage to support high-quality learning and contribute towards students’ development and also give students an opportunity to contribute towards the Company. “Pakistan Cable is a renowned name in electrical industry, serving and providing prime quality cables for more than six decades. The MoU is a landmark document which will provide excellent opportunity to the students and faculty of NED University to work closely with a leading manufacturer” said Dr. Sarosh Lodhi, Vice Chancellor, NED University, Karachi.

Prior to signing the MoU, the Vice Chancellor NED University, Dr Sarosh

Lodhi and CEO Pakistan Cables Ltd. identified similarities between both organizations’ efforts to promote environmental conservation.
